

# Walking with alpacas Experience

2 People - 1 Alpaca

Welcome - you have received a wonderful gift to come along with a friend and walk with our friendly alpacas against the backdrop of the beautiful West Kent Downs, an area of outstanding natural beauty. Beginning with an introduction to our lovely alpaca boys (Aubree, Benjen, Davos, Marsden, Sunset, Blackberry, Dandelion, Burdock, Erik and Merlin) we will teach you how to handle them, impart some of growing knowledge of these wonderful animals and answer any questions you may have. We will then pair you up with your furry walking companion before beginning our walk.

During the 50 minute walk you can get to know our boys better and take in the beautiful countryside. There will be plenty of opportunities to stop and enjoy the view and even take a selfie or two.

On our return to the farm you can treat the boys a few more treats and say hi to some of their friends. There should be time for a few more photos and a quick look in our little shop if you wish. The whole experience will last approximately two hours.

Afterwards, you are welcome to leave your car with us and enjoy the surrounding public footpaths. Alternatively, you could book a Picnic slot and stay for lunch in the paddock. Check out our [Alpaca Picnic Experience](#) and book if there are any available slots.

Please bring appropriate clothing for the weather conditions and closed footwear. Please note there may be other people on the same experience.

Under 8 years cannot lead the alpaca but can hold the end of the lead rope. Age 8-11 can lead the alpaca with an adult holding the tail end of the lead rope. Age 12-16 can lead their own alpaca solely accompanied by an adult.
